Abstract. To obtain a standardized layout when printing the abstract volume, we ask all authors to use the LATEX word processor and to take notice of the following instructions. The text must be written in English and must not exceed one page.

Please use this file for writing your abstract and do not use different or additional macro-packages. This file takes care of all the formatting. Please, format title, author(s), affiliation(s), text of the abstract, references, and 3–5 keywords according to this sample LATEX file. The LATEX file of the abstract should be submitted online via the conference web sites:

`http://www.gfkl2013.lu/` or `http://www.sfc2013.lu/`

The **deadline** for submission of the abstracts is **February 28th, 2013**. Accepted abstracts will be included in a summary volume that will be distributed to conference participants.
